Description: The Second Half is a small group ministry for men who are in the second half of their lives. Many have fully or partially retired from lifelong careers or professions, and find that we have the time and freedom to take our lives in new directions. The small group emphasizes that God does have a plan for each of us that matches up with our gifts, talents, and passions, and encourages each other to seek out this plan. Please feel free to attend a meeting or two to see if this group is right for you. ALL MEN ARE WELCOME. Gordon Prior is the Group Leader.
