

Violet- The Lodge

Two-Bedroom, 1,336 sq. ft.

Spacious and unique, the Violet is a floor plan that offers plenty of opportunity for you to add your own decorative touches. Two large bedrooms both feature walk-in closets. Enjoy dinner at the kitchen's bar, or give guests a place to sit when cooking and entertaining (though, prepared food and entertainment is just a short walk or elevator ride away). A balcony nearly as large as your living room expands your living space outdoors.
