RE: Infection Control Updates

It is now day 23 of our quarantine and day 15 since we started restricting access to the campus. We appreciate your continued understanding and strict adherence to our mandated protocols we have put in place to provide a safe environment for all residents.

We continue to do what we can to minimize the possible spread of any illness on campus, while keeping some sense of normalcy. Resident meal options have not changed. There are still two main entrees offered at lunch and dinner in addition to our "Always Available" menu. Our hallway Bingo participation has grown to exceed regular Bingo participation.

We continue to have good response to our offer to help with Skype and other telecommunications between residents and family and friends on Monday, Wednesday, and Friday times. Please continue to send requests directly to Lauren Marwitz at 804-569-8713 or lauren.marwitz@covenantwoods.com.

During this time newspaper delivery has been redirected to staff. If your family member has a current Richmond Times Dispatch subscription, please inform Lauren Marwitz. This will help us ensure delivery.

This week and next, staff will add some excitement with two weeks of celebration. This week is Spirit week and includes Crazy Sock day, Mismatch day, Twin day and favorite Team day. Next week is Holiday week and includes Christmas Sweaters, Valentine's Day, St. Patrick's Day and July 4th.

Updates will continue as we have new information. We are now prepared to continue under the current protocol until at least June 11, 2020, as directed by the Governor. We continue to closely monitor the Centers for Disease Control (CDC), Centers for Medicare and Medicaid Services (CMS), the State and Local Health Departments and government mandates and implement protocols as appropriate. Check out our Facebook page and Website for updates as well.
