

**MEMORANDUM**

**TO:** Manor East Residents and Responsible Parties  
**FROM:** Carrie Davis, Administrator *CD*  
**DATE:** June 1, 2020  
**RE:** COVID-19 Update

Thank you to all the residents (and staff) that participated in the Point Prevalence Testing last week. I am very happy to report that there were no new positive cases! We were impressed with the team from the National Guard that was on site to provide the testing, they were very personable and accommodating to the needs of the residents. The speed with which the tests were processed, and results provided is also impressive.

Our regular Tuesday memo will have more information on the protocols in place and when we may see changes. Stay Safe.
