RE: Updates

We are very pleased to share that our request to enter Phase I has been accepted. With this wonderful news we are able to start implementing a couple of changes. The first change will be restricted dining in the dining rooms. Starting Friday at the noon meal, residents will be encouraged to enjoy their meals in the dedicated dining areas. We will still be required to only have one person at each table, social distancing will be maintained, and residents must wear a face mask to and from the dining room.

More information about what you can expect will be in the regular Friday Memo. Stay safe.
