

## MEMORANDUM

**TO:** Manor East Residents and Responsible Parties  
**FROM:** Carrie Davis, Administrator   
**DATE:** August 21, 2020  
**RE:** Updates

### **Our COVID Update:**

We have no new or active cases of COVID-19 in Manor East. We have no clusters of individuals with respiratory symptoms. Historically, we have had only one employee on health care test positive for COVID-19 in May and one employee on assisted living test positive for COVID-19 in May. Both individuals have since recovered, are symptom free, and have returned to work.

We recently had two employees in independent living test positive for COVID-19. These individuals have not been on campus since July 23<sup>rd</sup> and July 27<sup>th</sup> respectively. We have also had one independent living resident test positive for COVID-19, who has since recovered. None of the independent living cases have an impact on Manor East.
