

## MEMORANDUM

**TO:** Manor East Residents and Responsible Parties  
**FROM:** Carrie Davis, Administrator   
**DATE:** September 15, 2020  
**RE:** Updates

### **Vaccinations**

There have been a few questions about the flu vaccination schedule. Healthcare residents will be provided their vaccination(s) next week. However, we must have received your signed forms in advance of administering the shot. Residents residing in assisted living will be offered vaccines the afternoon of Wednesday, October 7. The consent forms for assisted living residents are going out this week. Please contact Michelle Sharpe, Executive Assistant, at 804-569-8701 or [Michelle.sharpe@covenantwoods.com](mailto:Michelle.sharpe@covenantwoods.com), with questions.

### **Our COVID Update:**

We have no new or active cases of COVID-19 in Manor East. We have no clusters of individuals with respiratory symptoms. Historically, we have had only one employee on health care test positive for COVID-19 in May and one employee on assisted living test positive for COVID-19 in May. Both individuals have since recovered, are symptom free, and have returned to work.

Historically, we have had three employees in independent living test positive for COVID-19, two in July and one in August. We have also had one independent living resident test positive for COVID-19, who has since recovered. None of the independent living cases have an impact on Manor East.

Stay Safe.
