

**MEMORANDUM**

**TO:** Manor East Residents and Responsible Parties  
**FROM:** Carrie Davis, Administrator   
**DATE:** October 29, 2020  
**RE:** Updates

**Current Visitation Plan:**

We continue to offer outdoor visits in our climate adjusted visit area. Visits are scheduled through Signup Genus or directly with Resident Services for those without email access. Google Duo Calls are also available to residents. To allow every resident assisted access to these visits we are scheduling one in-person visit or call weekly. Should we need to alter the visit due to weather or other factors, we will notify you as soon as possible. Compassionate care visits are provided under separate criteria and separate from outdoor visits.

**Our COVID Update:**

We have no new or active cases of COVID-19 in Manor East. We have no clusters of individuals with respiratory symptoms. Cumulatively, since the beginning of the pandemic, we have had two (2) health care employees and one (1) health care resident that have tested positive for COVID-19. We have had three (3) assisted living employees, three (3) independent living employees and one (1) independent living resident test positive for COVID-19 since the onset of the pandemic.

Stay Safe.
