

MEMORANDUM

TO: Covenant Woods Residents, Manor East Resident Families and Employees
FROM: John Dwyer, President & CEO
RE: Covid-19 Update
DATE: October 13, 2020

Covenant Woods has reported to the Virginia Department of Health through the local health department, licensing agencies, and with this notice, to our residents, resident families of Manor East, and employees, that an employee who works in assisted living has been identified with a positive diagnosis of COVID-19. The employee has not been on campus since October 10, 2020. Due to privacy regulations, Covenant Woods is not at liberty to discuss any details or release any additional information.

As a precaution, we are testing all residents who may have come in contact with the employee and initiating isolation protocols as necessary. Contact tracing has been completed and individuals notified.

Cumulatively, the total number of assisted living employees, including this employee, that have tested positive for COVID-19 since the beginning of the pandemic is two (2). We have had two (2) health care employees, three (3) independent living employees, as well as one (1) IL resident and one (1) health care resident test positive since the outset of the pandemic.
