

MEMORANDUM

TO: Covenant Woods Residents, Manor East Resident Families and Employees
FROM: John Dwyer, President & CEO
RE: Covid-19 Update
DATE: November 4, 2020

Covenant Woods has reported to the Virginia Department of Health through the local health department, licensing agencies, and with this notice, to our residents, resident families of Manor East, and employees, that three employees who work in Manor East have been identified with a positive diagnosis of COVID-19, through our routine testing. Two employees work on healthcare and one employee works on assisted living. Due to privacy regulations, Covenant Woods is not at liberty to discuss any details or release any additional information.

As a precaution, we are testing all residents who may have come in contact with the employee(s) and initiating isolation protocols as necessary. Contact tracing has been completed and individuals notified.

Cumulatively, the total number of health care employees, including today, that have tested positive for COVID-19 since the beginning of the pandemic is four (4). The total number of assisted living employees, including today, that has tested positive for COVID-19 since the beginning of the pandemic is four (4). We have had three (3) independent living employees, as well as one (1) IL resident and one (1) health care resident test positive since the outset of the pandemic.
