

## MEMORANDUM

**TO:** Covenant Woods Residents, Manor East Resident Families and Employees  
**FROM:** John Dwyer, President & CEO  
**RE:** Covid-19 Update  
**DATE:** December 18, 2020

Covenant Woods has reported to the Virginia Department of Health through the local health department, licensing agencies, and with this notice, to our residents, resident families of Manor East, and employees, that an employee who works in Manor East, has been identified with a positive diagnosis of COVID-19, through our routine testing. This employee has worked in both assisted living and health care. Due to privacy regulations, Covenant Woods is not at liberty to discuss any details or release any additional information. Contact tracing has been completed and individuals notified. We have initiated testing and isolation protocols as necessary.

Cumulatively, the total number of health care employees, that have tested positive for COVID-19 since the beginning of the pandemic, including today, is seven (7). The total number of assisted living employees that have tested positive for COVID-19 since the beginning of the pandemic, including today, is eight (8). We have had three (3) independent living employees, as well as one (1) IL resident and one (1) health care resident test positive since the outset of the pandemic. Additionally, since the beginning of the pandemic, the total number of vendors who provide services to Manor East who have tested positive for COVID-19, is two (2) and the total number of vendors who provide services to independent living who have tested positive is one (1).
