

MEMORANDUM

TO: Covenant Woods Residents, Manor East Resident Families and Employees
FROM: John Dwyer, President & CEO
RE: Covid-19 Update
DATE: January 11, 2021

Covenant Woods has reported to the Virginia Department of Health through the local health department, licensing agencies, and with this notice, to our residents, resident families of Manor East, and employees, that an independent living employee has been identified with a positive diagnosis of COVID-19. This employee had no resident contact and has not been on campus since December 28th. Due to privacy regulations, Covenant Woods is not at liberty to discuss any details or release any additional information. Contact tracing has been completed and individuals notified.

Cumulatively, since the beginning of the pandemic, including today, the total number of health care employees, that have tested positive for COVID-19 is eleven (11). The total number of assisted living employees that have tested positive for COVID-19 is ten (10). We have had four (4) independent living employees, as well as two (2) IL residents test positive for COVID-19. In healthcare the total number of residents who have tested positive for COVID-19, is two (2). Additionally, the total number of vendors who provide services to Manor East who have tested positive for COVID-19, is six (6) and the total number of vendors who provide services to independent living who have tested positive is three (3).
