

MEMORANDUM

TO: Covenant Woods Residents, Manor East Resident Families and Employees
FROM: John Dwyer, President & CEO
RE: Covid-19 Update
DATE: January 9, 2021

Covenant Woods has reported to the Virginia Department of Health through the local health department, licensing agencies, and with this notice, to our residents, resident families of Manor East, and employees, two people have been identified with a positive diagnosis of COVID-19, through routine testing. One is an employee who works in health care. The other is a vendor who had minimal contact with residents in assisted living and independent living. Due to privacy regulations, Covenant Woods is not at liberty to discuss any details or release any additional information. Contact tracing has been completed and individuals notified.

Cumulatively, since the beginning of the pandemic, including today, the total number of health care employees, that have tested positive for COVID-19 is eleven (11). The total number of assisted living employees that have tested positive for COVID-19 is ten (10). We have had three (3) independent living employees, as well as two (2) IL residents test positive for COVID-19. In healthcare the total number of residents who have tested positive for COVID-19, is two (2). Additionally, the total number of vendors who provide services to Manor East who have tested positive for COVID-19, is six (6) and the total number of vendors who provide services to independent living who have tested positive is three (3).
