

**MEMORANDUM**

**TO:** Manor East Residents and Responsible Parties  
**FROM:** Carrie Davis, Administrator   
**DATE:** May 20, 2021  
**RE:** Updates

The Hanover County positivity rate is currently 4.4%.

**Important Reminders:**

- There is a maximum of two visitors in a resident’s room at the same time.
- All visitors must successfully complete the screening process.
- Visitors must be over the age of 15.
- All visitors must wear a mask that covers their nose and mouth. Face shields, if used, must be worn with a properly fitting face mask.
  - Anyone who is not currently living in Manor East and is not a medical professional is classified as a visitor.
- Chairs and other furniture must remain in common spaces, dining rooms, and recreation areas for use by all residents. These items are not to be moved into resident rooms for use.
- Our full visitation plan will be available on our website under COVID-19 Response. Paper copies can be provided by your social services representative.

**Questions about Protocols:**

General questions about visitation can always be directed to your social services representative or unit manager. For residents who reside in health care, contact Lauren Duval, Social Worker at 804-569-4208 or LaFon Kinchen, Health Care Unit Manager at 804-569-8093. For residents who reside in assisted living, contact Tara Beatty, Assisted Living Social Services Coordinator at 804-417-9134 or Sharonda Robinson, Assisted Living Unit Manager, at 804-569-8150.

**Current Covid Numbers:**
