

MEMORANDUM

TO: Manor East Residents and Responsible Parties
FROM: Carrie Davis, Administrator 
DATE: August 12, 2021
RE: Updates

The Hanover County positivity rate this week is at 11.2%.

Change to Visitation:

As announced in response to a positive test result on campus, we have suspended all visitation in Manor East except for compassionate care visits. Per regulation, all residents are on isolation as a precautionary measure and were administered a PCR COVID test yesterday. We anticipate providing an update on visitation during the day on Friday, August 13, 2021.

Vaccination Requirements:

You received a memo yesterday outlining our vaccination requirements for staff, vendors, and volunteers. A clarification was sent today. Vaccination will be required of all Covenant Woods staff, no later than October 15, 2021. In Manor East, we are also requiring vaccination of all vendors and volunteers who meet criteria of "staff" per regulation.

We will continue to provide vaccination options to any resident not already vaccinated. You may have seen media reports of a booster vaccine. Should a booster vaccine be recommended in the future we will provide information on the registration process.

Questions about Visitation Protocols:

General questions about visitation can be directed at any time to your social services representative or unit manager. For residents who reside in health care, contact Lauren Duval, Social Worker at 804-569-4208 or LaFon Kinchen, Health Care Unit Manager at 804-569-8093. For residents who reside in assisted living, contact Tara Beatty, Assisted Living Social Services Coordinator at 804-417-9134 or Sharonda Robinson, Assisted Living Unit Manager, at 804-569-8150.

Current Covid Numbers:

Cumulatively, since the beginning of the pandemic, the total number of people that have tested positive for COVID-19, are listed in the chart below.

	Cumulatively Since March 2020	
	<u>Employees</u>	<u>Residents</u>
Health care	17	3
Assisted living	15	0
Independent living	8	2
	<u>Vendors</u>	
Manor East	9	
Independent living	4	

Stay Safe.
